The theme of this year's conference is Inclusion 2 to 18. It is pertinent that this April sees the final transition to the 'new' SEND code of practice. We see this as a time to reflect on how far we have come, celebrate success and examine the challenges that we face to improve outcomes and provision for learners vulnerable to underachievement in Oxfordshire.

We are delighted to confirm two excellent speakers on Inclusion, Barry Carpenter and Dr Rona Tutt.

We will have case studies from schools sharing the work they are doing to embed inclusion for all learners.
