

SANTA EXPRESS

Thank you to everyone who joined our Santa Express on the last morning before Christmas. This was a great success exceeding our target (just!) of 100 'passengers' - with 101 adults and children walking from Woodstock Library to school. We were very pleased to be joined by Ian Hudspeth, CC Leader and Woodstock Councillor, Mayor Brian Yoxall, Lady Blandford and Chri Ollenbuttel, CC Road safety Team.

Joining the school's Walking Bus provides an opportunity to talk with friends and get some exercise, as well as reducing our carbon footprint and congestion outside the school.

We hope that children joining our special Santa Express will be motivated to come on the Walking Bus to school in the mornings. Staff are at Woodstock Library every school-day morning at 8.15 am waiting to welcome children – free parking is available at the Library. The Bus leaves at 8.25 am for the journey to school.
