

PACE for School Staff

**Tuesday 30th January 2024, 9:30-12:30, in-person,
Unipart Conference Centre** (Unipart House, Garsington Road, Cowley, OX4 2PG)

PACE is an approach developed by Dr Dan Hughes, an American psychologist who works with traumatised children. PACE stands for Playfulness, Acceptance, Curiosity and Empathy. Being PACEful enables you to have effective, empowering interactions with children who have experienced trauma and who, as a result, do not respond to you in the same way as other children you teach. It is a useful classroom tool for all children, not just those who have had a difficult start to life. This session is designed to help teachers and TAs to learn more about this approach and practice using it over the course of the afternoon workshop.

This session is being delivered by Dr Hester Riviere
Senior Educational Psychologist, Attach Team
