

## Oxfordshire Academies Programme

### List of Solicitors used by Oxfordshire Schools for their Academy Conversion Process

Please find below a list of solicitors used by Oxfordshire schools to assist with their Academy conversion process. Schools are invited to discuss performance and fees with colleagues as part of their process to choose their own advisers. Schools are asked to note that this is for information only and **NOT** a recommended list endorsed by the County Council. For information regarding specific aspects of conversion, please see the other guides within this series, or contact the Academies team at [academies@oxfordshire.gov.uk](mailto:academies@oxfordshire.gov.uk).
