Network meetings for school Service children leads and senior leaders

Outline

Termly 90-minute sessions funded by the Armed Forces Covenant Trust Fund..

Description

These termly sessions aim to provide updates, training and opportunities to share good progress amongst schools that have **any number** of Service children on their rolls. The sessions will be led by external consultant Matt Blyton who has a wealth of experience in this field, and who is a current member of the SCISS National Executive and the SCiP Alliance Management Group.

Outcomes

By attending, delegates will keep up to date with latest developments in helping Service children thrive, be supported to use evidence-based tools to strengthen their provision and learn from good practice in Oxfordshire schools, and beyond.

Audience

Senior leaders of schools that have any number of Service children on their rolls, or nominated welfare staff who act as named Service children 'champions'

Booking Information

Please note, separate events are also being run across the year aimed at governors between 19:00 and 20:30 hrs. 3rd Oct, 6th Feb & 1st May. Booking details via GovernorHub
