

REDUCE INEQUALITIES IN YOUR SCHOOL

YEARS 7 - 10

FREE SMOKING AND VAPING EDUCATION

- Simple to deliver
- Based around the interactive whiteboard
- 2 x 1 hour tobacco sessions per year
- 1 x 1 hour vaping session per year
- Meets PSHE curriculum objectives
- Minimal preparation and feedback
- 25.6% of students are **less likely** to take up smoking – key to success is a student's a **Personal Plan**
- INTENT Students are less likely to go on to smoke if they vape

Young people who start smoking earlier experiment with other risk-taking behaviours

Oxfordshire County Council is offering INTENT free of charge to ALL secondary schools. Training and resources will be provided online with additional helpdesk support available, full access from September 2024.

Find out more at the information and training sessions;
[25th April](#), [21st May](#) and [5th June](#).

To book, click links above or visit [Educational services](#) and search **INTENT**.

Anything else, contact Charlotte at; smokefreeoxon@oxfordshire.gov.uk
