

Oxfordshire SEND

Support for children and young people with special educational needs and disabilities (SEND) is changing in Oxfordshire.

If you have a child with emerging or identified SEND, your voice matters.

There are two ways to find out more and get involved.

Have your say in a survey which is now open to capture the thoughts of people across the county. You have a chance to share your experience and suggestions about what could be done differently, and where the focus should be.

Have your say

Survey closes: Friday 12 July
