Introduction

Effective governance provides strategic direction and control to schools, academies and multi-academy trusts (MATs). It creates robust accountability, oversight and assurance for their educational and financial performance and is ambitious for all children and young people to achieve the very best outcomes.

The DfE published two new Governance Guides on 7 March 2024; The **Maintained Schools Governance Guide** and the **Academy Trust Governance Guide**. These replaced the Governance Handbook, the Competency Framework for Governance and the Clerking Competency Framework. The new Guides can be accessed at;

Maintained Schools Governance Guide – [Maintained schools governance guide - Guidance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/maintained-schools-governance-guide)

Academy Trust Governance Guide – [Academy trust governance guide - Guidance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/academy-trust-governance-guide)

In the Maintained Schools Governance Guide, the core functions of the governing body are set out as ensuring;

- The vision, ethos and strategic direction of the school are clearly defined
- The headteacher performs their responsibilities for the educational performance of the school
- The sound proper and effective use of the school's financial resources

The governing body and its governors must, as required by [The School Governance \(Roles, Procedures and Allowances\) \(England\) Regulations 2013 \(legislation.gov.uk\)](https://www.legislation.gov.uk/uk/2013/1000) ;

- Act with integrity, objectivity and honesty and in the best interests of the school
- Be open about the decisions they make and the actions they take and shall be prepared to explain their decisions and actions

It is based on six key features of effective governance:

1. *Strategic leadership* that sets strategy and champions the school's culture, vision and ethos
2. *Accountability* with strategic decisions that aim to improve educational standards and financial performance
3. *People* with the right skills, experience, behaviours and capacity
4. *Structures* that clearly define governance roles, responsibilities and accountabilities
5. *Compliance* with statutory and contractual requirements
6. *Evaluation* to regularly monitor and improve the quality and impact of governance

What is the Annual Schedule?

The schedule gives an overview of governing board responsibilities and helps plan the year's work. Some activities need to be completed by a specific date and suggestions have been made. **Items in bold font are a statutory requirement or linked to our local policy requirements.** Highlighted information is new this year. Notes and links to relevant publications are listed next to each item. These may be DfE guidance

(both statutory and non-statutory), links to Oxfordshire County Council information or to resources produced by Oxfordshire Governor Services to support your work.

The main focus of the work of the governing board is to secure **school improvement** and to ensure **statutory compliance** so children benefit. Governors must create robust accountability for executive leaders and be well equipped to ask the right questions.

Governors need to:

- have a clear understanding of the strengths and weaknesses of the school
- be influential in determining priorities for school improvement
- have a clear role in monitoring progress and evaluating impact

How should we use the Annual Schedule?

Use the schedule to help plan the work of the governing board each term. The focus of the board's work tends to change throughout the year and the sections have been arranged to highlight that changing focus.

** Maintained Schools: governing boards of maintained schools may delegate some of their decision-making powers to committees/individuals.*

** Academies: governors of academies should refer to their Articles of Association and Schemes of Delegation when deciding which of the items listed in this schedule relate to their work; items specific to academies are included and have been identified.*

Reporting from the tasks listed should feed into meetings of the governing board. **The minutes of governing board meetings are the evidence that the work has taken place. If it didn't happen in a minuted board meeting, it didn't happen.** Ensure that all statutory requirements (**in bold**) are included as agenda items at full governing board meetings. Consider using the template to tailor the schedule: for example, add details of governor monitoring visits each term, linking these to the School Improvement (Development) Plan.
