Title: Briefing for school Service Children Advocates

Venue: Online

Trainer: Matt Blyton

School Improvement

Briefing for school Service Children Advocates / school leaders

Outline

A 90-minute online briefing funded by the *Armed Forces Covenant Trust Fund*.

Description

The briefing will provide national and local updates (including from the 2024 SCiP Alliance conference), as well as providing opportunities to share good practice. It will be led by school improvement consultant, Matt Blyton, who has a wealth of experience in this field. Matt is a current member of the SCISS National Executive and the SCiP Alliance's Management Group.

Outcomes

By attending, delegates will be informed of the latest developments in helping Service children thrive at school, as well as being supported to strengthen their school's provision by hearing about good practice in Oxfordshire schools and beyond.

Audience

Senior leaders & 'Service children advocates' of schools with **any** number of Service children on their rolls. Pastoral / welfare staff are also welcome to attend.

Booking Information

Please note, a Governors' session on meeting the Armed Forces Covenant Duty is running on 26th November (6pm) and Monday 2nd December (1pm). Booking details via *GovernorHub*
