What we can offer schools:

Temple visits can be facilitated by prior appointment.

Talks can be given at the temple or in school classes/assemblies.

Workshops and audio-visual presentations can also be made. In addition to the religious aspects, culture aspects including demonstrations and workshops for Indian classical dancing can also be provided.

Discussions and activities will be targeted to suit the age of the audience.

As a rule, there is no formal schedule of charges for talks etc, but a donation is most welcome.

Cultural performances and workshops may incur a charge.
