

## Let's Quit Together This Stoptober! 🚭

This October, we're encouraging all school staff and parents to take part in **Stoptober**, the national campaign to help people quit smoking. Oxfordshire has joined forces with 14 counties in the **South East Smokefree Alliance**, making it easier than ever to find local support:

We're also proud to support the **Smoke Free School Gates** initiative, helping to create healthier environments for children. To get involved click here and download the toolkit.
