

## Exciting Launch: SEND Careers Community of Practice (CoP) online sessions with Talentino and Oxfordshire Careers Hub

Oxfordshire County Council (OCC) SEND Team are thrilled to announce the launch of our brand-new *Community of Practice (CoP)*, in partnership with Talentino and Oxfordshire Career's Hub, starting on **17<sup>th</sup> March (3:30-4:30pm)**.

This initiative is designed to bring together school and college leads across Oxfordshire for six dynamic, 45-minute online sessions running from **March 2026** through to **March 2027**.

The aim is to foster collaboration, share best practices, and ignite a whole-school/college approach to delivering impactful careers education, especially with a strong focus on inclusive, SEND-specific destination planning.

What is more, we are inviting **YOU** to shape the conversation. Once you are signed up for FREE, we will get you to complete a short *needs analysis survey*, giving you the opportunity to influence the content and priorities of the sessions ensuring each one meets your unique challenges and goals.

We look forward to your engagement in this important initiative to strengthen collaboration and enhance the quality of careers provision across the county.

Together, let us build a stronger, more connected future for SEND careers education in Oxfordshire.
