**OXFORDSHIRE
COUNTY COUNCIL**

Are you worried that stress in your relationship is affecting your children?

This FREE 16 week course will give you:

- A safe space to think through difficulties
- New, more constructive ways of resolving your differences
- Support from other parents in similar situations

“A great way to spend some time focussing on the most important thing in your life – the people you love.”

Children's services workers can refer families through 'Program Work Central' on EHM
