

# Calling all schools in our Local Authority

National   
Read-Aloud  
Challenge 2026

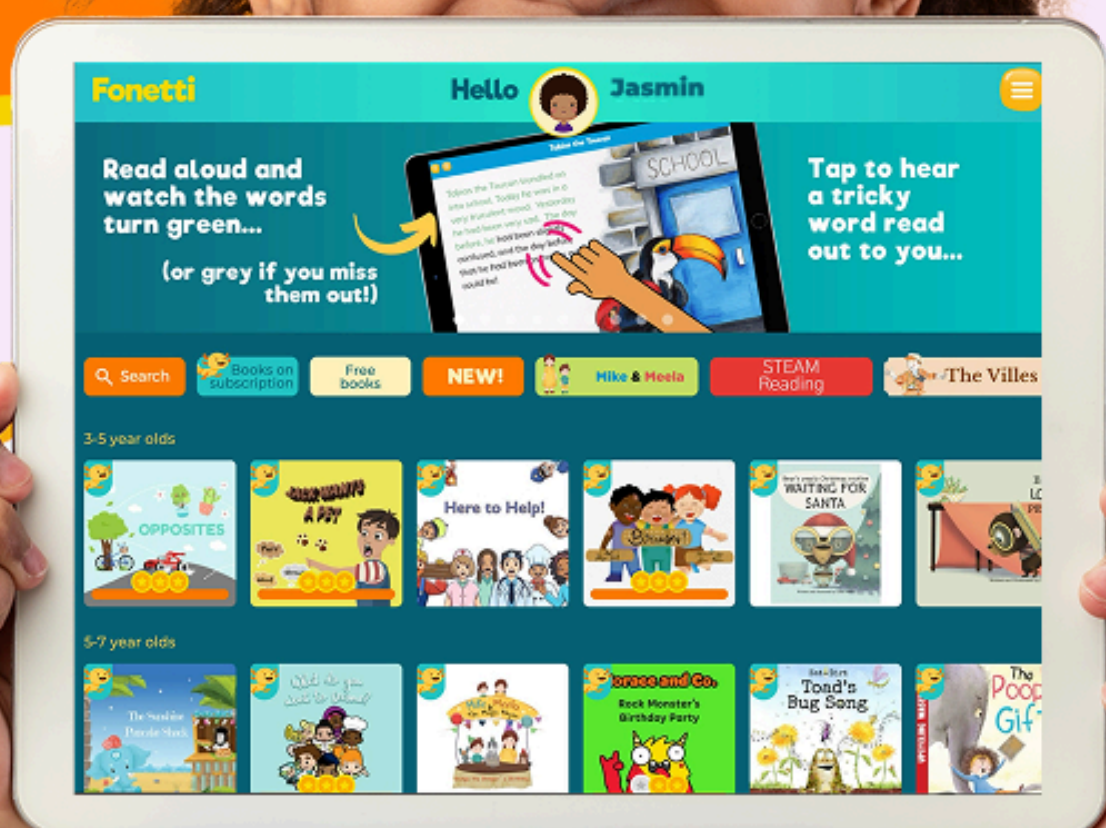

Powered by **Fonetti**

We are taking part in the National Read-Aloud Challenge and let's work together to be the top ranking Local Authority on the national leaderboard

- ★ The challenge is completely free and our pupils have access to the whole Fonetti in app library during the summer
- ★ Participating schools within our Local Authority are able to compete against each other and other schools on the national leaderboards
- ★ Top schools will have the chance to win a **FREE** trip to London for the National Read-Aloud Awards Ceremony hosted by **Clare Balding CBE**
- ★ The challenge aims to **reduce reading regression** over the summer break and **enhance a love for reading.**

## Fonetti

### Meet the Personal Reading Coach that creates confident readers.

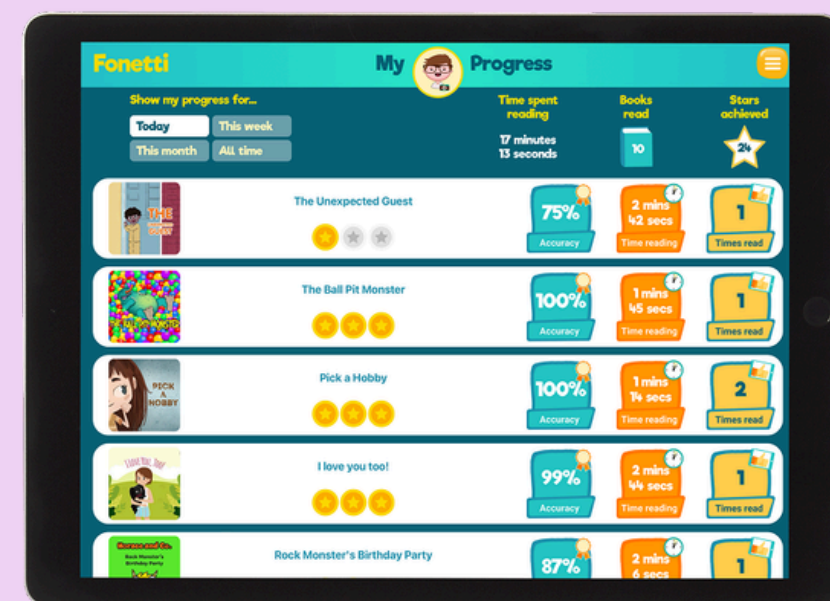

Fonetti is an award-winning AI-powered reading platform built specifically to listen to children read, transforming them into confident, independent readers.

Children choose from a library of engaging books and simply read them aloud. Progress and stars achieved are shown to inform and encourage.

When read correctly, the words turn green. If skipped or misread, they turn grey. For children, an audible clue can be accessed by simply double-tapping the word.

Children can effortlessly monitor their progress on a daily, weekly, monthly or overall basis! Parents and carers are kept informed with weekly progress updates.

Fonetti is proven to boost oracy, fluency, reading and English language skills.

88%

of parents reported increased reading enjoyment in their children

91%

of parents noticed increased reading confidence in their children

97%

of parents would encourage their child to take part again
