

For all those involved in school governance in Oxfordshire

We are very happy for any school or trust to use this document as a basis for their governance work but if you are using it, please acknowledge the source

Introduction

Effective governance provides strategic direction and control to schools, academies and multi-academy trusts (MATs). It creates robust accountability, oversight and assurance for their educational and financial performance and is ambitious for all children and young people to achieve the very best outcomes.

The DfE publishes two Governance Guides – [Maintained schools governance guide - Guidance - GOV.UK](#) and the [Academy trust governance guide - Guidance - GOV.UK](#). These replaced the Governance Handbook, the Competency Framework for Governance and the Clerking Competency Framework.

In the Maintained Schools Governance Guide, the core functions of the governing body are set out as ensuring:

- The vision, ethos and strategic direction of the school are clearly defined
- The headteacher performs their responsibilities for the educational performance of the school
- The sound proper and effective use of the school's financial resources

The governing board and its governors must, as required by [The School Governance \(Roles, Procedures and Allowances\) \(England\) Regulations 2013](#):

- Act with integrity, objectivity and honesty and in the best interests of the school
- Be open about the decisions they make and the actions they take and shall be prepared to explain their decisions and actions

It is based on six key features of effective governance:

1. Strategic leadership that sets strategy and champions the school's culture, vision and ethos
2. Accountability with strategic decisions that aim to improve educational standards and financial performance
3. People with the right skills, experience, behaviours and capacity
4. Structures that clearly define governance roles, responsibilities and accountabilities
5. Compliance with statutory and contractual requirements
6. Evaluation to regularly monitor and improve the quality and impact of governance

In the Academy Trusts Governance Guide, the purpose of governance is set out as:

to provide:

- strategic leadership
- accountability and assurance
- strategic engagement

The board has collective accountability and strategic responsibility for the trust. It has a focus on ensuring the trust delivers an excellent education to pupils while maintaining effective financial management and **must** ensure compliance with:

- the trust's charitable objects
- regulatory, contractual and statutory requirements
- their funding agreement

What is the Annual Schedule?

The schedule gives an overview of governing board responsibilities and helps plan the year's work. Some activities need to be completed by a specific date and suggestions have been made. **Items in bold font are a statutory requirement, requirement by the DfE or linked to our local policy requirements.** Notes and links to relevant publications are listed next to each item. These may be DfE guidance (both statutory and non-statutory), links to Oxfordshire County Council information, resources produced by Oxfordshire Governor Services and by the National Governance Association to support your work; some are freely available, some are linked to your NGA membership.

The main focus of the work of the governing board is to secure **school improvement** and to ensure **statutory compliance** so children benefit. Governors must create robust accountability for executive leaders and be well equipped to ask the right questions.

Governors need to:

- have a clear understanding of the strengths and weaknesses of the school
- be influential in determining priorities for school improvement
- have a clear role in monitoring progress and evaluating impact

How should we use the Annual Schedule?

Use the schedule to help plan the work of the governing board each term. The focus of the board's work tends to change throughout the year and the sections have been arranged to highlight that changing focus.

** Maintained Schools: governing boards of maintained schools may delegate some of their decision-making powers to committees/individuals.*

** Academies: governors of academies should refer to their Articles of Association and Schemes of Delegation when deciding which of the items listed in this schedule relate to their work; items specific to academies are included and have been identified.*

For **governance** queries

email: governorservices@oxfordshire.gov.uk

Phone: 0330 0249 046

For **clerking** queries email:

clerking.service@oxfordshire.gov.uk

Reporting from the tasks listed should feed into meetings of the governing board. **The minutes of governing board meetings are the evidence that the work has taken place. If it didn't happen in a minuted board meeting, it didn't happen.**

Ensure that all statutory requirements (**in bold**) are included as agenda items at full governing board meetings.

Consider using the template to tailor the schedule: for example, add details of governor monitoring visits each term, linking these to the School Improvement (Development) Plan.
